

Press Release

## **Maytas Infra board confident of executing the projects**

*~ Board clears reference to the Corporate Debt Restructuring forum~*

**Hyderabad, May 9, 2009:** The Directors of the newly constituted **Maytas Infra Ltd.** Board today reviewed and cleared the reference to the Corporate Debt Restructuring forum. The clearance came after SBI Capital Markets, consultants to the CDR scheme made a presentation to the board. Major lenders of Maytas Infra Ltd., were also present during the meeting to review the CDR.

The Board of Directors also reviewed the status on various BOT projects of the company, along with the Hyderabad Metro Rail project and the future action to be taken. As the CDR scheme is likely to be approved soon, the Board is optimistic on the execution of various projects taken up by the company.

### **About Maytas Infra**

Maytas Infra Limited, a Hyderabad-based infrastructure development Company is one of the leading Infrastructure Development, Construction and Project Management Companies in India with more than two decades of rich and varied experience in executing projects under various domains such as Buildings & Structures, Transportation, Water, Energy and BOT. It currently employs 1800 professionals. Maytas Infra is an **ISO 9001 - 2000** certified Company, committed to the highest standards of quality. The Company bagged the '*Fastest Growing Construction Company in India*' award in 2008 for the third consecutive year in large size category instituted by *Construction World* and *National Institute of Construction Management & Research (NICMAR)*. It had bagged this award in 2006 for small size category, and in 2007 for medium size category. Maytas Infra is the only Infrastructure Company from India to be designated as 'Global Growth Company' (GGC) by the prestigious 'World Economic Forum' of which it became a member recently.
