

Maytas Infra - "Fastest Growing Construction Company in India"

~The Construction World Annual 2008 has awarded Maytas Infra the title among the Large Category of Construction Companies ~

Hyderabad, October 29, 2008: Maytas Infra Limited, Hyderabad based infrastructure major has bagged the '**Fastest Growing Construction Companies in India**' award. Maytas Infra is ranked first amongst several other participating construction companies in the **large size category**. The award is based on a study carried out by the leading construction magazine **Construction World** and will be published in its **Construction World Annual 2008** issue.

Maytas Infra has been awarded this title for the third year consecutively –

2006 - Small size category

2007 - Medium size category; and now

2008 - Large size category.

The award was presented to **Mr. P.K.Madhav, CEO, Maytas Infra** by Chief Guest- Maharashtra **Minister for Public Works, Anil Deshmukh** amidst an august gathering of captains of the industry, bankers, bureaucrats and technocrats.

Commenting on the occasion, **Mr. P K Madhav, CEO of Maytas Infra said**, "*Our focus on being a technology driven and process centric organization has enabled us to grow at a rapid pace. This award is a testimony to the progress we have made over the years and it gives us great pleasure to be a recognized as a leader in the segment*"

Construction World is the only organization carrying on the process of ranking and awarding the industry participants over the past six years thereby fulfilling its mission of raising the standards of excellence in the industry. It regularly ranks and then awards architects, builders, contractors, building material manufacturers and equipment companies. The criteria for selecting the winners are based on last five year's average of factors like Revenue, Profit After Tax, Assets, and Equity.

About Maytas Infra
