Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (hereinafter referred to as "Act")

ITEM NO 1:

The Members of the Company had earlier approved the resolution on October 6, 2017 by way of Postal Ballot and E-voting for obtaining sponsor support in such form as may be required by lender(s) (existing as well as prospective) from Infrastructure Leasing and Financial Services Limited (IL&FS), the Promoter of the Company for an aggregate amount up to Rs 14,000 million for the purpose of borrowings by the Company by way of Non- Convertible Debentures or Term Loan or Derivatives or Working Capital facilities or any other mode from time to time. The Company has already utilized the significant portion of the said limit of Rs 14,000 million

For the purpose of meeting the additional fund requirements for debt servicing, working capital requirements, Capex and other general corporate purpose, the Company is in the process of availing incremental borrowing facilities from Banks or Financial Institutions or any other Body Corporates for which the Lenders may request for sponsor support from IL&FS

Therefore, it is proposed to enhance the limit for obtaining sponsor support from IL&FS from Rs 14,000 million to Rs 25,000 million

Further, it is proposed to pay the fees to the IL&FS as per the following details for obtaining sponsor support from IL&FS:

- (i) One time administrative fee of Rs 2 million plus applicable taxes
- (ii) Fee of 0.50% to 0.75% p.a of the outstanding Principal and interest payable under the facility plus applicable taxes

As per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), the aforementioned transaction with IL&FS is a related party transaction. A related party transaction as defined in Listing Regulations is "a transfer of resources, services or obligations between a company and a related party, regardless of whether a price is charged". Further, in terms of the provisions of Regulation 23 of Listing Regulations, all related party transactions shall require prior approval of the Audit Committee of the Board of Directors of the Company and material related party transactions shall require approval of Members of the Company and the related parties shall abstain from voting

"Material Related Party Transactions" mean a transaction(s) with a related party to be entered individually or taken together with previous transactions during a financial year, exceeds ten

percent of the annual consolidated turnover of the Company as per the last audited financial statement of the Company

Since, the aforementioned transaction with IL&FS exceeds 10% of annual consolidated turnover of FY 2017 of the Company (the latest available Audited Financial Statements of the Company), the transaction with IL&FS is a material related party transaction and accordingly approval of the Members of the Company is required for resolution set out at Item no. 1

The Board recommends the passing of the Ordinary Resolution as set out in the Item no. 1 of the Notice of Postal Ballot of the Company

None of the Directors, Key Managerial Personnel of the Company and their relatives is concerned or interested in the resolution set out at Item No. 1

By order of the Board
